MEMORANDUM FOR: CHAIRMAN, CLANDESTINE SERVICES TRAINING COMMITTEE

SUBJECT : FE Training Requirements

1. It is strongly recommended that the present limitation on the number of students which may be enrolled in the following courses be revised in order to meet the training requests of the Far East Division:

<u>Course</u>	<u>Present Maximum</u>	<u>Suggested Revision to:</u>
CE	15	30
	18	30
CPO	20	30

25X1A

2. Although it is realized that a small class of students lends itself for better indoctrination through a freer discussion between the students and the instructor, it must be realized that instruction in the above courses is limited to a restricted number of applicants.

3. The Far East Division has to date 13 requests for the next two classes of CE. If the present size of the class is maintained, the last of these applicants will be enrolled during the latter half of 1954. This does not take into consideration the requests that will be made during the next few months.

4. If compliance with the above mentioned request necessitates an increased staff of instructors, and an enlarged physical plant, it is recommended that such be accomplished. It is strongly felt by this Division that it would be a justified action toward accomplishing the aims of the Agency.

5. It is noted that classrooms presently used by Phase III should be available after 22 January 1954.
